WHY YOU'LL LIKE IT...

ESSENTIALS NONSTICK

- ▶ Combines the ease of nonstick with versatile conveniences
- ▶ The pieces are perfect for serving directly at your table
- ▶ Plus, the items stack & store neatly for tight spaces

HA1™ NONSTICK

- ▶ This is All-Clad's answer to the best PFOA-free nonstick
- ▶ It's durable, heats fast, has easy release and is dishwasher safe
- ▶ This is also a great choice for nonstick add-on pieces

HA1™ CURATED NONSTICK

- ▶ Same material as HA1 Nonstick, but with a more classic All-Clad design
- ▶ Curated shapes with a stainless steel lid
- ▶ Includes drip-free pouring rims & contoured, comfortable handles

Crate & Barrel Exclusive

D3® STAINLESS

- ▶ This is the classic All-Clad design
- ▶ It's a perfect choice for fast and even cooking, with quality
- ▶ There's plenty of cooking shapes to choose from

D3® CURATED

- ▶ Same 3-ply bonding as D3 Stainless, but with curated shapes & a low maintenance brushed finish
- ▶ Includes drip-free pouring rims & contoured, comfortable handles
- ▶ Stores easily with interchangeable lids, also with a brushed finish

Crate & Barrel Exclusive

D5® STAINLESS

- ▶ D5's extra layers give exceptionally even heating for superior results
- ▶ You'll enjoy the drip-free pouring rims & oversized handles
- ▶ It has a low maintenance, brushed stainless steel exterior

COPPER CORE®

- ▶ This is the ultimate solution for total control
- ▶ The copper core reacts rapidly to your desired heat changes
- ▶ A beautiful copper accent reminds you of the hidden beauty

Online Only

FUSIONTEC™

- ▶ Fusiontec™ was developed for recipes needing steady & even heat
- ▶ It's perfect for display or direct table service
- ▶ This is a limited collection and comes in various colors
